**RE: NY FOIL REQUEST - BUFFALO MUNICIPAL HOUSING
AUTHORITY**

Dear Ms. Muldowney:

My apologies for the delay in responding to your original and subsequent FOIL requests. Please find enclosed, the USB drive containing the following requested documentation:

- A copy of the two most recent HUD Real Estate Assessment Center (REAC) physical inspection reports carried out on properties (all AMPs) managed by the Buffalo Municipal Housing Authority ("BMHA"); and
- Any and all boiler certificates for applicable properties for 2016-2018.

Although, FOIL does not require BMHA to create documentation not currently in existence, additional information was provided to assist in fulfilling your request.

In light of the delay in our response, the BMHA has chosen to forego collection of any fees associated with the costs incurred to complete your FOIL request. If you have any questions, please feel free to contact me.

Very truly yours,

Roslyn L. McLin, Esq.
